

105mm

The diagram shows a rectangular plate with a solid black border. Inside, a dashed line represents a slightly smaller rectangle. Two vertical lines are drawn: one at the left edge of the dashed rectangle and one at the left edge of the solid border. A horizontal line is drawn at the bottom edge of the dashed rectangle. Dimension lines with arrows indicate the following measurements: 105mm for the height of the dashed rectangle, 109mm for the height of the solid border, 105mm for the width of the dashed rectangle, and 109mm for the width of the solid border.
