

78mm

The diagram shows a rectangular component with a dashed outer boundary and a solid inner boundary. A vertical line on the left side is dimensioned with 78mm (total height) and 74mm (height to the center of the inner rectangle). A horizontal line at the bottom is dimensioned with 109mm (total width) and 105mm (width to the center of the inner rectangle). A large gray circle with the number '1' inside is centered within the inner rectangle.

74mm

109mm

105mm

78mm

The diagram shows a rectangular component with a dashed border. A vertical dimension line on the left indicates a distance of 78mm from the top edge to a horizontal line. A horizontal dimension line at the bottom indicates a distance of 109mm from the left edge to the vertical line. A second horizontal dimension line below it indicates a distance of 105mm from the left edge to the vertical line. A vertical dimension line indicates a distance of 74mm from the top edge to the bottom edge. A large circled number '2' is centered in the rectangle.
