59mm

A technical drawing of a rectangular plate with a central hole. The drawing includes a dashed line representing the hole's boundary and a solid line representing the plate's outer boundary. Dimensions are provided in millimeters: 59mm for the hole's diameter, 55mm for the hole's offset from the left edge, 85mm for the hole's offset from the bottom edge, and 89mm for the hole's offset from the right edge. The drawing is set against a blue background with a white border.
